## **NO LUNCH BUNCH**

There is no "Lunch Bunch" on December 8th because teachers are having staff meeting. This is true the second Tuesday of every month because teachers cannot watch children when we do our training. This training better equips teachers for the job of teaching your children.

We also cancel "Lunch Bunch" on the Christmas Program days of December 17th-18th because children go home early.

## **LIMIT THE SPREAD OF DISEASE**

Help limit the spread of illnesses. Remind your child to wash his/her hands upon arrival at preschool.

## **COLD AND FLU SEASON**

The health department does not allow us to care for ill

children. If a child is sick, we separate the ill child from the other children and contact a parent immediately to come get their child.

## **CHRISTMAS PROGRAMS**

Come see your child perform in a Christmas Program on the last day of class before Winter Break, December 17th-18th.

Morning class programs are at 9:15 a.m. Afternoon class programs are at 12:30 p.m. These times are general. If the children arrive on time and we can get upstairs sooner we may start a minute or two early. Drop your children off in class at the regular time and go upstairs to wait for the program. We start as soon as we can. Parents and grandparents are all welcome.

School is dismissed immediately following the programs and "Lunch Bunch" cancelled on these days.

## **REMINDER**

We remind you to bring snack on your assigned day. Your help assures we have a good variety of food and that our snacks are nutritious. Remember to send pre-packaged, store bought food.

## **REGISTRATION**

The deadline for turning in new student registration forms for next year is March, 1st, 2010. The deadline for returning students is February 1st, 2010.

Forms are available after the holidays, beginning January 4th. Slots are filled randomly. For more information, contact Julie in the office or look at our website, [www.wasatchpreschool.org](http://www.wasatchpreschool.org).

## A NOTE FROM THE DIRECTOR

I don't say thank you often enough to everyone involved with our school. We have the greatest teachers, who take their jobs very seriously and provide developmentally appropriate, fun, learning experiences for the children who come here. The parents of our children are equally wonderful. They support us in all we do, help us with many volunteer hours, are patient with us and give lots of love. Thanks to you parents for all you do. Thanks also to Carol and Kim who make financial and office details work for us all. But most of all...thanks to all the children that attend Wasatch. They are the reason that we are here. They are wonderful and bright and will make a significant difference in the world someday. Have a happy holiday!
