CREDIT AND DEBIT CARDS

You may now use credit and debit cards to pay tuition when you need to. We take Visa, Master Card and Discover Card. Check with the office for more information.

REGISTRATION

Registration for the upcoming school year has begun! All children or siblings of children already attending our school may enroll for next year. These students have first choice of classes. Both a registration fee and the last month's tuition is due at time of registration. This last month's tuition will pay for the last month of school next year. Arrangements can be made with Julie (in the office) if you need to pay these fees over a couple of months.

The deadline for turning in forms if you have a returning student is February 1st. Look for class lists posted on the Parent Information Board in the office shortly after the deadline to let you know the time that your child got for classes next year.

The deadline for turning in forms for new students that want to attend our program is March 1st. Applications will be processed and a new waiting list begins after the school is full.

TOURS OF SCHOOL

Tours of our school are given weekly on Tuesday mornings at 10:00 a.m. Any parents interested in our program are encouraged to attend.

TEACHER REQUESTS

Each year we have parents wanting to request a teacher

for their child at registration time. The school's policy on this issue states that requests are honored *only if you have unusual circumstances* requiring special attention. For those with such a situation special forms are available in the office to fill out and turn in with your registration application.

We are so fortunate to have teachers that are qualified and who do an amazing job of teaching. Give them a chance to impress you with their knowledge and skill.

FUNDRAISING

It is time to plan our annual fundraiser for the spring. If you are interested in helping contact Kim in the office. She works Monday, Wednesday and Thursday mornings. The fundraiser is held in the park next door to the school.

- ☉ February 15th: President's Day, no school.
- ☉ March 1st: Deadline for new students turning in registration forms

A Note From the Director

Fundraising

Private/Nonprofit organizations such as ours do not get any money from the government to help with the cost of running our school. We need extra help therefore from those who can afford to give it to make our program the best it can be. If you're not interested in participating in our Spring fundraiser you can always give money to our school at any time. Parents often volunteer to pay for some of the costs involved in putting on the fundraiser before the event happens so that all proceeds taken in at the time of the event are profit for the school. All profit goes directly to the school to replace broken toys and furniture and to enhance the educational experience of your children. You may also donate to the church that houses our program to help pay for the remodeling of the building a few years ago. They greatly need this help. Let us know where you want your donation to be used and we will see that it gets to the right place. Thank you for all your help and support at this difficult economic time in our country.
