## ATTENTION PARENTS

As the end of the 2009-2010 school year approaches the office staff remind you that the last month's tuition you paid at registration time for 2010-2011 applies to May of 2011 not May of 2010.

## CREDIT AND DEBIT CARDS

You may now use credit and debit cards to pay tuition when you need to. We take Visa, Master Card and Discover Card. Check with the office for more information.

## REGISTRATION

"In House" registration is completed. Returning students are already placed in time slots. Check out the list posted on the Parent Information board in the office.

The deadline for new students is March 1st. On that day we begin processing new applications in random order.

Wasatch Presbyterian Pre-school contacts applicants shortly after the deadline to let them know results of the application process.

Parents of accepted students have one week after notification to bring in both a registration fee and the last month's tuition. The last month's tuition pays for the last month of school in 2011.

Parents whose children do not get in may call the school and get their child's name on the new waiting list that begins when the school fills. WPP takes names off the waiting list in the order we receive them. So, the sooner you get on the list the better chance you have of getting into the school.

## TOURS OF SCHOOL

Come visit our school by taking a tour on Tuesday mornings at 10:00 a.m. Learn all about us and get registration

information. See classes in action and ask any questions you have.

## TEACHER REQUESTS

Each year we have parents wanting to request a teacher for their child at registration time. The school's policy on this issue states that we honor such requests *only if you have unusual circumstances* requiring special attention. Special forms are available in the office to fill out and turn in with your registration application.

## FUNDRAISING

It is time to plan our annual fundraiser for the year. If you can help contact Kim in the office. She works Monday, Wednesday and Thursday mornings. The fundraiser is held in the park next door to the school.

## A Note From the Director

Thanks to our great parents for supporting our program during this difficult economic time for our country. Attendance at preschools is down nationwide so we feel fortunate to be running at or near capacity like we usually do. We appreciate the confidence given us by so many.

WPP acknowledges the sacrifice and planning required by many of our families to keep educating their children a top priority. Teachers do their best to insure that children attending WPP are richly rewarded for the choice their parents make to send them here. We pledge to do our part to continue making the experience here as wonderful as possible.
