CHILD SAFETY

Every year it is tempting to some parents to leave infants and toddlers unaccompanied in cars while they bring older children into preschool. We remind you that this is not safe. Think how bad we would all feel if something dangerous happened to one of these children while left unattended in a car. Please take the time to bring younger children in with you as you drop off older children for class.

ELECTION DAY

Tuesday, November 3rd is election day. Voting occurs on the main level of the church all day long. Most patrons use the upper parking lot when they come to vote. We therefore encourage you to

use the lower parking lot for preschool. Watch your children carefully so we can keep them all safe. We apologize in advance if you need to park on the street.

FIRE ESCAPE NOT AN EXIT

Remember that the black fire escape stairs are to be used only in case of a fire. They are not meant to be an exit from Preschool. Also, use the entrance at the end of the hallway to get children off the playground, not the gate by the preschool front door. Thank you for your cooperation

THANKSGIVING RECESS

There will be no school November 25th-27th because of Thanksgiving. We hope you have a great time

with family and friends.

SNACK REMINDER

As the holidays approach it will be tempting to send sweet treats for a snack. Please send nutritious food unless it is your child's birthday or a holiday party. Thank you.

PICTURE DAYS

We apologize for having to reschedule picture taking for your children. Fliers did not arrive here in time to adequately notify parents of the days they were going to occur.

Remember to dress your child to have his/her picture taken on the 17th-18th of November. Pictures should be done in time to send them out with Christmas cards if you would like.

November 2009

Calendar

- ☺ November 2nd: Tuition due.
- ☺ November 5th-6th: Parent/Teacher Conferences, no classes
- ☺ November 9th-10th: Vision Screening for 3-5 year old classes
- ☺ November 17th-18th: Picture Days
- ☺ November 25th-27th: Thanksgiving Recess, NO SCHOOL

A Note From the Director

Each year I have some parents inquire about how we protect personal information at our school. The following is our policy regarding such information.

Confidentiality Policy

All personal information about students is kept confidential. Written permission is received before personal information is given to other pertinent agencies, schools, programs or people. This information is kept locked in file cabinets in the preschool office. Informal testing results are kept in portfolios in the classrooms. Formal testing is done by the Salt Lake City School District and results are given only to parents. Teachers put screening or testing results in the classroom in individual portfolios for the children. They are referred to when designing activities and curriculum. This helps individualize the curriculum to the levels and needs of the children. Portfolio's of children's work are sent home with parents at the end of each school year. Records are then stored for several years and then destroyed.

The following individuals have access to these files during the school year: Health department, Special Needs Consultants, Teachers and Office staff, Parents, Teachers, Courts if asked for in divorce proceedings.
